capabilities re-assessed prior to the commencement of each course in their enrolment package. This is a requirement under the 2018 National Code of Practice, Part B Standard 2.

Minimum academic and English language requirements are as follows:

Academic Requirements

Students must provide evidence of satisfactory academic performance appropriate to entry to the year level requested on the Application for Enrolment or offered as an alternative point of entry by the College in a Letter of Offer.

- a. For Primary students - evidence of application to school work and age-appropriate achievement in literacy and numeracy areas of the curriculum
- b. For Year 7 to 12 students - a pass level or "C" grade or better for the majority of core subjects

Procedure for Assessing Students' Qualifications, and Language Proficiency

- a. The College requires evidence of sufficient proficiency in English to successfully meet the curriculum demands of the enrolled course. This is a requirement under the 2018 National Code. **It is a condition of enrolment at Northpine Christian College that applicants must be fluent in English prior to enrolment.**
- b. Northpine Christian College will assess evidence of English language proficiency presented by a student at the time of application and reserves the right to confirm the student's English language proficiency through additional testing.
- c. Students should note that if their language proficiency is below that outlined above they will be required to undertake an intensive English language course and be re-assessed for English language proficiency before commencing at the College in mainstream studies.
- d. Students wishing to enter the College below year 10 level are assessed individually based on the contents of their report cards and personal references, and may also be required to undertake a language proficiency test set by the College.
- e. Those students who have undertaken an intensive English language course before beginning mainstream studies, will have their English language proficiency reassessed at the conclusion of the language course to ensure the student's level of proficiency is sufficient to allow them to commence their mainstream course.
- f. Note that where a student cannot, or will not, meet the English language or academic requirements for entry into their first mainstream course, or a subsequent course undertaken as part of an enrolment package, the College may choose to apply the Conditions of Enrolment outlined in the student's written agreement and the provisions of this Entry Requirements Policy - the outcome of which may result in the withdrawal of offer for enrolment on the grounds that entry requirements have not been met. Alternatively, the College (at its discretion and if appropriate) choose to offer:
 - New mainstream enrolments - entry into a mainstream course at a lower year level.
 - Continuing mainstream enrolments - opportunity to repeat a year level as part of an academic intervention plan implemented by the school. Refer to the *Student progress, attendance and c*
